| 1:50-2:25 | Break | | | | | | | | | | | | | |
| 2:25-3:25 | Sport Steps: <ul style="list-style-type: none"> You will need a rubber ball (high bounce ball) or a tennis ball for this activity Rebound the ball off a brick wall, the ground and then catch – repeat 5 times in a row After you catch the ball 5 times in a row, try some of these variations: Rebound the ball up and clap 1,2,3 or more times – what your best score? Rebound the ball, turn around and catch Rebound the ball, touch the ground with one hand, stand up and catch | YouTube: PE with Joe GoNoodle | | | | | | | | | | | | |

- Try with your right hand, left hand, both hands
- What other tricks can you come up with for catching – can you teach someone else in your home.
- - Can you turn this into a game that includes scoring?

Answer these questions in your book:

What part of your hand do you catch with?

What was your best score for clapping your hands when you threw the ball in the air?

what was your favourite catching trick?

Frog Squats

1. While standing, set your feet so they are wider than your shoulders.
2. Lean forward and place your elbows on the inside of your knees.
3. Squat down and try to touch your backside on the back of your legs.
4. Extend your legs back straight so you feel a stretch in the back of your legs.
5. Continue this movement for the allotted time.

Speedy squirrel (kick sits)

1. Start on your hands and knees
2. Slide your right leg to the left until your hip is on the ground
3. While bringing your right leg back to the middle slide your left leg to the right until your hip is on the ground.
4. It should be a smooth constant movement.
5. Repeat movement for the allotted time.

Donkey Kicks

1. In a push up position with your knees slightly bent and head over the top of your hands.
2. Jump and flick your legs so the back of your heels touch your backside.
3. Repeat the movement for the allotted time.
4. While doing the movement, flex your abs and have a tight core

Mountain Goats

1. Get onto hands and knees on the floor and then up on your toes (plank position)
2. Pull one knee up towards your chest
3. Repeat action with your other knee
4. Continue alternating the movement with both knees

Dead Bugs

1. Lie on your back and lift your bent knees so that your shins are in line with the floor.
2. Bend your arms directly in front of your face or rest them on the knees.
3. Pull your abs in and crunch up into a crouched position lifting your shoulders off of the floor as well as your tailbone. |

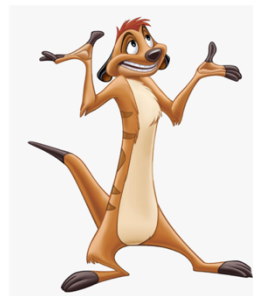

Struggling Turtle

1. Lay flat on your back and bend your knees up so your feet come in closer to your body.
2. Keeping your back flat on the ground, use your core muscles to reach down and touch your right heel with your right hand.
3. Doing the same thing, reach down with your left hand to touch your left heel.

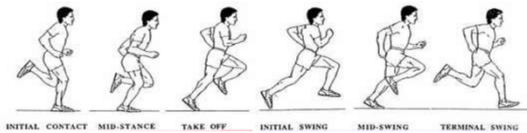

Peeping meerkat

1. Start in a standing position, then drop to the ground into a push up position.
2. Drop your chest to the ground, then push up and bring your legs up so you are on your hands and feet.
3. From this position, stand up, jump, and raise your hands above your head.
4. Land back into your standing position, then repeat steps 1, 2 and 3.
5. Repeat these steps until time runs out.

Cheetah runs

1. Get yourself in a standing start position to begin the sprint.
2. Push off your back foot and begin to run.
3. Keep your head down and body low over the first 5 steps to build speed.
4. Proceed to a full sprint, making sure you are using your arms and picking up your knees in your stride (run for 5 to 10 metres).
5. When you reach the cone gently bring yourself to a stop, set up and do the same back to the other cone.

Gorilla crawls+

Kangaroo Jumps

1. Start at the cone standing with your feet wider than shoulder-width apart. Then bend over and reach your hands out on the ground in front of you.
2. You will shift your weight forward to your hands on the ground and then jump your feet forward outside your hands.
3. Repeat step 2 until you reach the other cone.
4. Stand up, turn around and hop back to the starting cone like a kangaroo.
5. Repeat from the start till time is up.

Reading Matrix

| | | | |
|---|--|---|--|
| <p><u>Character profile</u></p> <p>Draw a picture of a character in your text. Label your character. Write a short biography for this character.</p> | <p><u>Different Ending</u></p> <p>Change the ending of your story/chapter. Illustrate after you have written.</p> | <p><u>Summarising</u></p> <p>Jot down as many very important Points from the text as you can.</p> | <p><u>Character comparison</u></p> <p>Choose two characters and compare. How are they different? How are they the same?</p> |
| <p><u>Mapping it out</u></p> <p>Have a go at drawing a map of one of the places from the text you have just read. See how much detail you can include in your map, including different places, keys and colour.</p> | <p><u>Visual Poem</u></p> <p>Create a concrete found poem about the text you have read. To create a concrete found poem, students must only use words, phrases or even whole sentences “found” in their text. Then, they must shape these words into a visual representation on paper.</p> | <p><u>Connecting</u></p> <p>Based on the text you have just read, share a story about yourself that is related to an event or character that was in the book. How do you relate to this character? Do you share the same opinions? Friendships? Family life? Interests?</p> | <p><u>Social Profile</u></p> <p>Write & draw a social media profile for your character/object you have read about in your text. This will include: Character Name, Hometown, School, Works at, Family, Places visited, Music favourites, Book favourites, Photos</p> |
| <p><u>Status Update</u></p> <p>Write 3-4 ‘status updates’ on your character/object in your text. This might be what they are doing right now, what their opinion is on a topic, what they are thinking about.</p> | <p><u>Predicting</u></p> <p>Before you read your text predict what you might be reading, use the images and subheadings to guide your predictions.</p> | <p><u>Visualising</u></p> <p>Draw a picture of what is happening from what you visualised in your head. Write about this scenario.</p> | <p><u>Character poster</u></p> <p>Create a wanted poster, based on a character from your text. This should include a picture of them, their interests, personality traits etc.</p> |

Some wellbeing ideas and conversation started to do whilst in lockdown

| Wellbeing Idea | Conversation Starters – discuss with family over dinner. |
|---|--|
| Create a gratitude tree. What are you grateful for? Get your family involved and sharing what they are grateful for. | If you could click your fingers and be anywhere in the world right now, where would you be? Why? |
| Wellbeing journal – write down how you are feeling, what are you doing to boost your moods. | If you could have three people, dead or alive, famous, or not, to come for dinner, who would you choose? Why? |
| Create/Draw/Paint some encouraging quotes to displays around your home. | If you had the power to change one thing about the world that would help, what would you change? Why? |
| Great out in nature, take some photos or watch some clouds. | If you could turn into a different animal for a week, which one would it be and why? |
| You are an amazing person – create a list of 10 reasons why. You could also do this activity for a family member as well. | If you had the power to make either kindness or humour compulsory for all students, which would you choose? Why? |
| Yoga and mindfulness. | If you lived inside the story of a book, would it be Harry Potter or Narnia? Why? |
| What do you think makes a good friend? (Trust, respect, honesty, humour, empathy etc). Write a letter to a friend about your friendship. | Would you rather be able to breathe underwater or fly? Why? |
| Call, Facetime or zoom a friend and talk to them for 10minutes about anything other than COVID-19. | Would you rather swim in the waters of Antarctica in your swimmers or walk through the Sahara Desert in winter jackets you couldn't take off? Why? |
| Write a week of affirmation cards to use. Positive talk will boost your mood. | If it could rain food on you, what would you choose it to be? Why? |

| | |
|---|--|
| Learn a new skill. examples: cooking, knitting, juggling, learn a new language or do a cartwheel. | If you could choose to have a superpower, just for one day, which one would you choose? Why? |
|---|--|

WORLD MAP

DIRECTIONS:

1. Draw and label the Prime Meridian in PURPLE. Draw and label the Equator in ORANGE.
2. Fill in the compass rose with the cardinal directions.
3. Color the oceans in BLUE and label all five oceans.
4. Color & label the continents. Color North America RED. Color South America in ORANGE. Color Europe in PURPLE. Color Africa in YELLOW. Color Asia in GREEN. Color Australia in BROWN. Color Antarctica in GREY.
