TERM 3 WEEK 10

Wednesday 26<sup>th</sup> September 2018

## PRINCIPAL'S MESSAGE

Dear Parents and Carers,

NAPLAN results for our Year 3 and Year 5 students went home this week. These assessments provide information to parents about how students are performing against national benchmarks in key literacy and numeracy areas. While this information is useful, I would like to stress that NAPLAN only measures a small part of the curriculum and it only captures a snapshot of student performance on that particular day. If you would like more information or have any questions regarding NAPLAN, please speak to your child's teacher.

The holidays are so close I can smell the fresh, salty smell of the beach. I hope that families spend some enjoyable time together over the holiday period and that you all stay safe. Next term is a great one with many exciting events to look forward to. Have a super break and we will see you next term.

Yours in education,

**Glen Kite**

Principal

# SPORTS REPORT

Even though it is the last week of term we still have a fair bit of sport going on here at South.

Primary sport is in its last rotation with all classes from Grades 3 to 6, three support classes and two students from each class in Grades 1 and 2 to participate in Soccer, Touch Football or Netball clinic's throughout the day. A massive thank you to Miss Watson for running the Netball clinics over the past few weeks.

Our Stage 2 netball team have been busily training at lunch times for their gala day in Term 4. Thank you Miss Watson and Miss Flannery for taking up your time to help train the girls.

Just a heads up that in Term 4 students in Grades 3 to 6 will be encouraged to participate in Learn to Swim as part of Primary Sport. There will be a cost of around \$40 per student for the program which will run over 8 weeks. I would like to see as many students participate as possible.

Quote of the week '*Winning is not everything, but making the effort to win is*'.

Have a happy and safe holiday everyone!

Regards  
Mr Adams - PE Teacher

# A day in the life of 1Green ...

## MORNING SESSION

1Green start off the day by marking the roll, looking at our upcoming schedule on the class calendar and checking out our timetable for the day.

Next we get stuck into Literacy Groups. While Miss Watson and Mrs Galvin listen to reading, 1Green complete writing, reading and spelling tasks. Once they are finished students can choose from a variety of activities to consolidate literacy, numeracy, language or fine motor skills.

*In the middle of the morning session we have a brain break! We move our bodies in Bouncing Bunnies, have some fruit break and listen and talk about stories.*

For the last hour of the morning session we are authors. During the week we plan, compose, edit and publish fabulous texts. This term we have been working on adding more detail and elaboration to our writing. We have been writing book reviews, information reports and persuasive texts. Once a week we complete handwriting activities to practice making our writing neat.

## MIDDLE SESSION

After we come in from 1<sup>st</sup> break it is time for Drop Everything And Read. We read books by ourselves, with a friend, or with an adult from the class library, from reading lessons or from home. Sometime we have older students in our class to help us.

Our Mathematics lessons include Number Talks, maths games, whole class investigations and book work. This term we have been exploring 2-digit numbers, money, subtraction and 3D shapes.

## AFTERNOON SESSION

To wind down after a busy day and learn some wellbeing strategies we do a Smiling Mind meditation. Before and after we meditate we discuss the focus of the meditation. This term we have learnt about strategies to take charge of our emotions, our strengths and optimism.

The past few weeks 1 Green have been preparing for our hall display and assembly performance. Our Pete the Cat artwork is on display in the hall now! Go and check it out!

We have been practicing our Pete the Cat and his Four Groovy Buttons performance and can't wait to show you this coming Friday at the whole school assembly! Be there or be square!

### WHAT WE ARE ABOUT

The MJ Gymnastics program is designed to allow every person to develop gymnastics skills in accordance with their individual capabilities. Classes are available for both girls and boys from pre-school age through to adults. The classes are fun, energetic, and challenging, and encourage the development of gymnastics skills and overall body awareness. Classes teach the fundamentals of movement and coordination from beginner through to advanced gymnastics skills.

### WHO WE ARE

I am Melissa Thompson, a Muswellbrook local with over 30 years experience in the Gymnastics, Body Building and Personal Fitness Industry. I successfully owned and operated the Hunter Valley Gymnastics Academy in Muswellbrook from <year> to 2008. With the help of my dedicated coaching team, I produced many National and State level gymnasts. After taking a personal break from coaching, I now have a burning desire and passion to restart and develop this new venture into a well run, safe and fun place for local children wanting to specialize in gymnastics.

I am Jessica Duggan and I was one of the main coaches employed at the Hunter Valley Gymnastics Academy. As well as being part of the Gym Fun coaching team, I was also the Head Coach for the Boys Development Squad, which produced many team and individual State Champions through the Academy.

### PROGRAM DETAILS & SAFETY

MJ Gymnastics is fully qualified through NSW Gymnastics. All coaches and helpers will have current Working With Children checks to ensure the safety of your child. NSW Gymnastics will provide insurance for MJ Gymnastics with a liability policy for both our coaches and gymnasts, paid personally through a yearly premium.
