TERM 3 WEEK 8

Wednesday 12th September 2018

PRINCIPAL'S MESSAGE

Dear Parents and Carers,

We believe strongly in teaching our students the importance of respect. We model respectful behaviour every day in every interaction we have with members of our school community. We expect that our students behave in respectful ways to each other, to teachers and to members of the community. We do this because we believe that respectful behaviours build strong positive relationships, which in turn, create a sense of belonging and connection that is critical for successful learning and pivotal in creating the kind of world we want to live in.

One of the ways that we believe our students can show respect for the school and themselves is through wearing their uniform proudly. Our uniform connects students to our school, helping to create unity and strengthening belonging. It's also comfortable, looks great and is reasonably priced. Much time and effort has been spent refining our uniform to meet the needs of parents and students. Please support us in setting high expectations and creating a cohesive school environment by ensuring your child wears full school uniform to school each day, including their hat. We want as many students up on the oval as possible, running around having fun. To do so, they need their hat. If for any reason you are having trouble with outfitting your children in uniform, please come in and speak to us. We are more than happy to help out.

Glen Kite - Principal

Buy a bale

Muswellbrook South and King Street Public School have launched a Muswellbrook and Singleton Schools' Community Fundraiser, in support of our local farmers who are struggling with the drought.

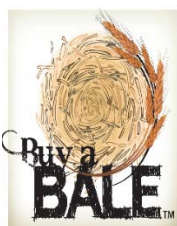

Our first goal is to raise \$9500 to provide hay for their stock. Please visit https://www.buyabale.com.au/donate/?supporter_id=95176 to donate.

All donations are tax deductible.

We have farming families that need our help, so please help us to help them.

Mrs Felan and MSPS SRC

VISITORS TO MSPS

Just a friendly reminder that any visitors to the school must first report to the school front office and sign in. This includes parents and friends who may just be dropping something off. It is for the safety of students and also in the event of an evacuation all people on school premises are accounted for.

SPORTS REPORT

Last Thursday, 11 members of the senior girls Touch Football team travelled to Singleton High School to play in Round 3 of the Hunter PSSA competition.

The starting minutes were met with a strong breakaway by the opposition to score the first point of the day. A few penalties kept the girls from gaining their momentum and unfortunately the half ended 7-0 Singleton Small School's way.

During the second half, the girls were able to gain some ground and got close to the line several times but couldn't quite get over. They all played hard and fought to the final seconds.

The game finished at 12-0 to a well deserving team. We wish Singleton Small School's team the best of luck next week against Scone Public.

Well done to the girls for putting in the effort at training each week and we will try again next year.

Back Left to Right: Lilly, Charlotte, Emma, Aurelia, Koia, Kiera-Lea.

Front Left to Right: Jorja, Josie, Ebony, Lilly, Summah.

Absent: Joss and Indy.

Today, we have three teams traveling to Scone for a touch football gala day starting at 10am. Good luck to the Junior boys, Senior boys and Senior girls teams who will be competing.

Thanks to Miss Watson who is conducting netball clinics as part of Primary sport in weeks 7 - 10. Additionally, Hayden Ryan-Hill from NSW touch will be coming to MSPS to conduct Touch football clinics along with myself conducting Football clinics.

Quote of the week *"If you can't outplay them, outwork them"*.

Regards

Mr Adams - PE Teacher

PREMIER'S SPELLING BEE 2018

Last Thursday, three students represented Muswellbrook South Public School at the Premier's Spelling Bee Regional competition at Greta Public School. Bailey from Year 5 and Brodie and Jayden from Year 3 participated after being successful at MSPS Spell Off at the beginning of August.

The Premier's Spelling Bee was introduced in 2004 as a fun and educational way for primary school students to engage in spelling. The program includes activities to encourage all students to improve their vocabulary and spelling and to promote literacy skills in combination with the English K-6 Syllabus.

Congratulations boys on your great effort.

MSPS Leadership meeting

At Muswellbrook South Public School we value the input of our students in creating a positive learning environment that is exciting and engaging. Our student leaders used their voice when meeting with Mrs Winning to discuss various projects they are wanting to implement for their fellow peers.

Everyone welcome

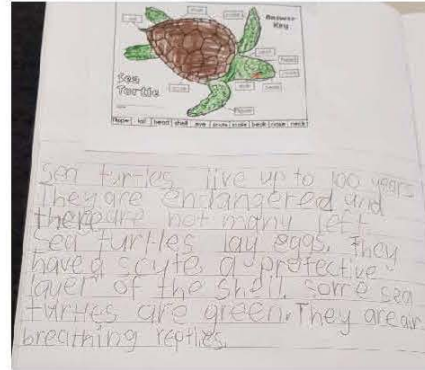

In **2 Yellow**, we always try our best to follow the school PBL values of being safe, respectful and responsible.

Here are some acrostic poems we wrote about Respect.

The Superstars of Support Yellow

During term 3 Support Yellow have been learning about Living Things. Each week we have learnt about animals from different habitats and have been writing and creating artworks. Our classroom windows are now a fantastic display of the Polar Regions, the rainforest, the African savannah and the coral reef.

On a Thursday we head out to Riding for the disabled and just last week we started to ride without a leader. The volunteers at RDA are so impressed with the progress that our students have made.

Some other highlights this term have been learning to shop to a budget, with the help of our minis, and we have loved our fortnightly visits to the library to borrow books for our classroom library.

We have been working hard and have all made great progress in reading, writing, addition and subtraction. Miss Wilson is super proud of our efforts!
