TERM 1 WEEK 8

Wednesday 20<sup>th</sup> March 2019

## PRINCIPAL'S MESSAGE

Dear Parents and Carers,

The P&C elected a new executive team last night at the Annual General Meeting. I would like to congratulate our returning President, Gina Philpott. Gina has done an excellent job organising the P&C and ensuring that money raised by the P&C is put to good use in the school. Jan Kamstra and Alison Bradstreet were elected Vice Presidents and Rachel Smith as Treasurer. Having these positions filled ensure that our P&C continue the fine work that they have been doing. As a school we are tremendously grateful for the support of our P&C and particularly those parents who volunteer on the executive.

Last year the P&C helped fund new playground equipment and this year there are plans to install fans in our hall and update the playground equipment on the oval. The P&C also support many of our sporting representative teams and this year provided school swimming caps for our Upper Hunter Zone swimming team.

P&C membership is open to all parents. If you would like to join you can see Gina in the canteen or join us for the next meeting on 21 May at 6:30pm in the library.

Yours in Education

**Glen Kite**

Principal

## Upper Hunter PSSA Soccer Trials 13.03.2019

Last Wednesday 13<sup>th</sup> March, six students travelled to Scone to participate in the Upper Hunter Zone soccer trials. Congratulations to Teegan, Sophie and Declan who were selected in the Upper Hunter team to play at the Hunter PSSA soccer trials. Congratulations on your fantastic efforts as well as the other students who trailed on the day.

## Stage 2 Netball Gala day 15.03.2019

A massive thank you and congratulations to our Stage 2 netballers who played in a gala at Scone last Friday. Everyone had such a great day, filled with sportsmanship, enthusiasm and smiles. Thank you to all the parents for their help and support and to Emma who helped umpire all day. It was definitely appreciated. We look forward to further gala days in the future.

## PSSA Round 1 Knockout Cricket 14.03.2019 Match Report -

Driving to our first UHPSSA cricket knockout competition I knew that the boys had a large challenge ahead of them but were never going to give in. Our 2019 team consisted of mostly Year 5 students and only one who played cricket outside of school. It was quite the contrast coming up against a team who had numerous rep cricket players.

Bailey opened up the bowling against Denman Public School on Denman's home turf. It was a tough start with a 4 off the first ball. After a few overs the boys got into the groove and began getting right into the match. There were some super efforts from our bowlers; Bailey, Harrison, Ryan, Henry, Xavier, Patrick and Mitchell. Some of our fielding was slightly 'hit and miss' but when we hit we really did just that with an incredible run out from captain Mitchell hammering one stump from the covers.

Denman Public School batted really well and scored a total of 193 off 25 overs.

The boys spirit and determination throughout our batting innings was somewhat remarkable. As the wickets fell each boy was asked how they were feeling on their way out to the crease and it was a resounding "nervous". Christian even described the feeling as "a thousand little butterflies in my belly". Well said! Some shining moments were Xavier belting two 4's back to back with a grin ear to ear. Taurus was so excited to get out into the middle he bolted to the crease before the bails even hit the ground. A comment from the side line was "where did he come from?". Taurus was unfortunately bowled that very next ball, gingerly walking back to the rest of the boys who still cheered him on for giving it a go. They relished in his first game of cricket seeing out the final overs with the likes of Teale and Wayde. Unfortunately our boys were bowled out for 63 from 22 overs but left the ground knowing they had tried their best.

**Scone School Boys Rugby League Carnival  
17.03.2019**

In a first for many years, MSPS school took a record 5 teams to participate in the Scone Schoolboys knockout competition in Scone last Sunday. The students exceeded above all expectations, doing our school, and their families proud.

MSPS Under 7's coached by Ngaomi and Zane, played brilliantly as a team, recording two wins against St James Muswellbrook and Denman Public qualifying for the Final. The final was a tight try-for-try affair against Scone PS with our team only narrowly being defeated by one try - 15 tries to 14. A huge congratulations to Archie Burch who Group 21 officials chose as Muswellbrook Souths player of the match.

MSPS 8's coached by Mick blew everyone away in their first game of the day with the upset of the round, defeating St Mary's Scone. It was a great team effort by everyone in attack and their defence held tight when it mattered, to secure an impressive win. In their second game they came up against a skilled Scone Public School team who were the eventual winners of the 8's division. The 8's should be very proud of their achievements.

MSPS 9's coached by Jaye had to wait until 12.45pm for their first game. By then it had started to rain which made the field and ball very slippery. The 9's played Scone Public School in a very physical game, with a few calls not going their way, and a few unforced errors, they ended up going down 6 tries to 4. A very gallant effort boys.

MSPS 10's coached by the Rob and Rob duo, had a great start with two flying tries down the side to Kayne to be leading their first game against Denman PS. Denman snuck back in with a couple tries and finished the game 1 try/four points ahead. MSPS 10's just missed out on a second game on a for-and-against and penalty countback by one penalty to play another game. Hold your heads high boys, recover and train hard ready for the Knights Knockout that will be held in Week 6 next Term.

MSPS 11's coached by Jaye, Jye and with Mick's assistance, played in the final of the 11's Division against a strong St Mary's Scone side. The game unfortunately was played in the pouring rain which made for a very messy game with lots of dropped balls and missed tackles. The score was only 12-4 at half time, however Muswellbrook could not turn any attacking chances they had into points with the final score being 20-4. Big congratulations to Terry Russo who was awarded Muswellbrook South's Man of the Match.

A big thank you to our wonderful parent coaches who have taken time out of their days to help train these teams, and to all the parents and families who brought children to Scone and helped support and cheer on our little teams, even when the weather was miserable and raining for most of it. Thank you to Mr Wild for helping with training sessions at school the last couple of weeks and for accompanying the teams to Scone. Thank you to Miss Marshall for also coming up and watching. The kids loved seeing you there!

**Upper Hunter PSSA Rugby League Trials  
18.03.2019**

On Monday 18<sup>th</sup> March we had eight representatives participate at the Upper Hunter PSSA Rugby League trials at Olympic Park Muswellbrook.

Mitchell Moss and Bailey Chick were successful in making the Upper Hunter PSSA side. They will play at the Hunter trials next Wednesday in Raymond Terrace. Congratulations and good luck boys.

**P&C EASTER EGG RAFFLE**

All families should have received raffle tickets last week for the P&C's Easter Eggstravaganza Raffle. If you did not receive a ticket book or would like more, please see the ladies in the front office. All money and ticket booklets (sold and unsold) are to be returned to the school office by Wednesday 3<sup>rd</sup> April 2019. Prizes will be drawn at the Whole School Assembly on Friday 5<sup>th</sup> April.

**Stage 1 students will be attending a free performance of the 'Bubbles and Supa Squirt Water Saving Show' in the school hall on Friday the 22<sup>nd</sup> of March. The performance incorporates the use of clowning, circus skills, magic, slap stick, music and song to deliver a very entertaining and memorable experience to everyone who sees it, including the teachers. The show centres around Supa Squirt, the Supa Water Saving Man, teaching Bubbles the Clown eight handy hints on how to save water in and around the home while doing everyday tasks. These tasks include showering, bathing, cleaning your teeth and flushing the toilet as well as jobs in the yard. Bubbles even turns into a 'drip detective' to find the leaking tap. As Bubbles learns along the way so do the children in the audience. The performance links with the Science and Geography units Stage 1 students are currently studying and compliments the recent excursion to the Wetlands.**

PJ says – *“Remember it’s not always about winning the game but how well you played! Always be safe, respectable and responsible when playing on the oval, infants and primary quads”.*

We apologize our slush puppie machine is currently out of order until Tuesday 26<sup>th</sup> March. Children who have already ordered may purchase something else or may hold onto their bag and collect when the machine is back up and running. Thank you

# HARMONY DAY

Harmony day is held each year on 21st March. MSPS will be celebrating Harmony Day on **Thursday 21st March 2019.**

**It's a day to celebrate our cultural diversity.**

The central message for Harmony Day is that **'everyone belongs'**, reinforcing the importance of inclusiveness to all Australians.

Children attending Muswellbrook South have heritage from Scotland, India, Thailand, Germany, Korea, Brazil, New Zealand, Philippines, United Kingdom, England, Netherlands as well as Australia.

At MSPS we respect, include and provide a sense of belonging for everyone.

Orange is the colour chosen to represent Harmony Day. Traditionally, orange signifies social communication and meaningful conversations. It also relates to the freedom of ideas and encouragement of mutual respect.

**On Thursday 21st March students and staff are invited to come dressed in orange coloured clothes or national multicultural costume.**
