TERM 2 WEEK 8

Wednesday 19 June 2019

PRINCIPAL'S MESSAGE

Our school has just undertaken external validation, a process where we need to provide evidence to the department that demonstrates our impact on learning, teaching and leadership. What this process has highlighted is that as a school there are many things that are working well for students, teachers and the wider school community.

In the classroom our work to improve reading and numeracy is showing some good results, as we have seen steady growth in the percentage of students scoring in the top two bands in reading and numeracy over the last three years.

While we know that there are many things working well, there are a few areas that we would like to improve. In particular we would like to make sure that we receive regular feedback from parents to ensure we are working in partnership and our shared goals are in line.

As a school we are excited about the progress we are making and feel confident that we are heading in the right direction. We look forward to that journey with parents and the whole school community.

The school often utilises second hand clothes for various reasons, so your donations would be very much appreciated.

SPORTS REPORT

Netball Gala Day

We have two girls' netball teams heading to Singleton today. We have a Stage 2 and a Stage 3 team participating in the netball gala day. Good luck to both teams! Thank you to the coaches, Miss Watson and Miss Flannery for taking the time out of their weeks to train the kids.

Under 10's Newcastle Knights Knockout

After being postponed on two other occasions due to bad weather, the Newcastle Knights Under 10's Gala Day was held last Wednesday at Mount View Park Cessnock.

This year saw a large number of boys interested in playing so Muswellbrook South were able to field two teams in the competition, which is wonderful for our school, the sport of rugby league and also great to give the boys opportunities to participate in extra-curricular activities.

The boys were placed in two teams, a 10 year olds team and a 9 year olds team.

The 10's team played outstandingly all day and grew in confidence as the day progressed. They recorded two wins against Eleebana PS & Singleton PS, a draw against St Paul's Rutherford and one loss against eventual winners Valentine PS. Outstanding results!

The 9's team had a great day playing against Floraville PS, Singleton Heights PS, Belmont PS, and had a very narrow one try loss in the final game against Maryland PS. Although not winning any games, they can hold their heads high as they never gave up, competing against kids much more experienced and a year older than them. Some boys enjoyed their first games of rugby league and it was good experience for the 9's team who can all play again in the same competition next year.

All players of both teams need to be congratulated on how well they represented the school. The skills on display were outstanding but more importantly the sportsmanship they showed both on and off the field, and the care they showed towards other school players when they were injured is to be commended. Well done boys!

Thank you to the parents who helped transport kids to the carnival and helped cheer the teams on. The boys really loved your support! Thank you to Mr Wild, Mr Foot and Mr Snewin for helping coach the teams. Thank you to the referees for officiating and the Play NRL Development Officers for organising another great event!

Athletics Carnival – Wednesday 3 July

The Athletics Carnival is on Wednesday 3 July starting at 9.45am. Children turning 8 this year and older are able to participate.

Students are to arrive at school at normal time as class rolls will be marked before the teachers take them to the oval.

Students are invited to wear their house colours or their sports uniform. Students are expected to have a hat, enclosed shoes suitable for running and a shirt that covers their shoulders.

House colours are: **Balmoral – Blue**, **Skellatar – Red**, **Edinglassie – Yellow**, **Gyarran – Green**.

Students will be eating their food throughout the day when the event program permits.

Hot food lunches ordered from the canteen will be made for 1st break at approx. 11.45am. **Please remember to put your child's sports house on the lunch bag and not their class.**

During the athletics carnival the canteen will have some snacks, drinks, tea, coffee and a limited amount of sandwiches and some hot food available for parents to purchase.

If any parents are available to help time keep on the day please see Mr Adams at the beginning of the carnival.
