## PRINCIPAL'S MESSAGE

Welcome back! I hope this message finds you refreshed, rejuvenated, and ready for an exciting year ahead. As we embark on our journey through 2024, I am thrilled to extend a warm welcome to all our returning students, families, and staff, as well as those joining us for the first time.

At Muswellbrook South Public School, our vision is clear: "Everyone in our school community is inspired to improve, feels cared for, is valued, and is supported to find purpose in their lives." This vision serves as our guiding principle, driving everything we do to create a nurturing and empowering environment for our students to thrive.

I am delighted to welcome back Mrs. Brown and Mrs. Wilson, who are returning to continue their incredible work with our students. Their dedication, passion, and commitment to our school community are truly commendable, and we are fortunate to have them

with us once again. I also extend a warm welcome to our new teachers, Mrs Ellis, Mrs West and Miss Woodhouse. Additionally, we welcome Jamie-Lee Perry, who joins our team for the first time in 2024. Your enthusiasm, fresh perspectives, and expertise will undoubtedly enrich our school community and contribute to the success of our students. We are excited to embark on this journey together and witness the positive impact you will make in the lives of our students.

I also want to take a moment to congratulate our Green Team for receiving an Australia Day award. Your dedication to environmental sustainability and community service is truly inspiring, and this recognition is well-deserved. Your commitment to making a positive difference in our community sets a wonderful example for us all.

# Congratulations!

A huge congratulations to our hardworking MSPS Green Team on receiving a Sustainability Award at Muswellbrook Shire Council's Australia Day Awards ceremony.

## Sustainability Award

### Muswellbrook South Public School Environment & Sustainability Group (Green Team) -

Under the resolute and tireless leadership of School Learning Support Officers Tara Jeans & Sally McKay, environment and sustainability group 'The Green Team' has grown and expanded significantly throughout 2023. The daily program sees consistent numbers and receives positive feedback from students and staff.

Students enthusiastically and responsibly collect eggs and tend to the chickens, water and weed the gradens, plant and harvest food, make compost, feed and care for the worms, and sort the recycling, taking great pride in all they do.

In addition to achieving its goal of educating staff and students on environmental sustainability while being involved in hands-on learning opportunities, the program creates a sense of belonging and provides a place for students to make and build on relationships and feel like they are a part of a team.

# FAREWELL

At the end of 2023 we farewellled this Muswellbrook South legend.

Leanne McTaggart has been at MSPS for 28 years.

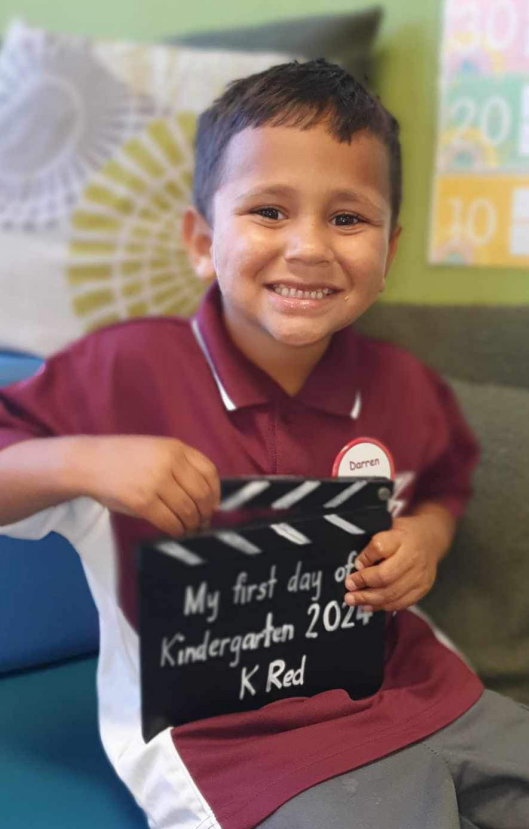

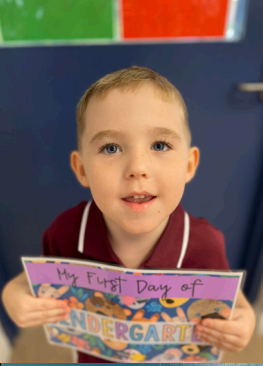

She has been a part of our South community, not only caring for the school, but for our staff and our students.

Leanne has dedicated her life to our school, ensuring MSPS is the place our students and staff want to be at everyday.

Thank you Leanne for your loyalty, your support, your care and dedication and your love of our school.

You will be dearly missed.

## KINDERGARTEN START SCHOOL

- **THANK YOU** -

Last week our school received a kind donation from Debbie Hobson on behalf of Blackroo Community Indigenous Corporation.

We were provided with ten school backpacks filled with a range of stationery and books for our students to use.

MSPS would like to thank Blackroo Community Indigenous Corporation for their kind donation. Staff and students are very appreciative of businesses and community agencies who continually support our students to achieve their personal best.

## MSPS SWIMMING CARNIVAL

Last Friday 2 February, MSPS held their annual swimming carnival. This year we were lucky to be able to take all students turning 8 or older to the carnival. Everyone had a wonderful day, competing in swimming events, playing novelty water games and also joining SISA in a survivor challenge to win points for their house.

On the day Nicholas D made great strides for his age group and house, competing in every 50m event, including butterfly, in which he was the only boy to participate.

A special congratulations to Elsie F who was just 0.9seconds off breaking the senior girls 50m backstroke record.

We would like to make a special mention to the Muswellbrook Swimming Club for opening a canteen for our students to enjoy a sausage sizzle and refreshments, SISA for creating a fun atmosphere and our amazing parents who braved the heat to watch students compete.

All swimming ribbons will be handed out at Primary's assembly, next Tuesday 13 February starting at 2.30pm in the school hall.

The Upper Hunter PSSA Zone Swimming Carnival will be held on Thursday 22 February at Scone Pool. Notes will be sent out to those students who have made it through, as soon as we receive the information.

NSW Government Spokesperson for the Upper Hunter, Ms Emily Suvaal MLC, visited the school and received a tour of the new classrooms by Principal, Mr Kite, and school leaders, Elsie & Connor.

## FAREWELL SALLY

She has been a much loved face at MSPS, particularly in Support.

Sally has connected and impacted so many students, families and our community.

Sally has been very active with MSPS Green Team and having our very own pigeons and chickens for many of our students to enjoy.

We thank Sally for her commitment to MSPS and wish her all the best in her new career.

You will be dearly missed.

# IMPORTANT INFORMATION

## ABSENCES

It is a Department of Education requirement that whenever your child is absent from school, unless it is on school business such as attending an excursion, you are obligated to provide a note explaining their absence. If your child is late to school, or you need to pick them up early, students will come to the office and collect a late note or an early leaver's slip, which will be given to their teacher. You can also notify the school if your child is away through the Sentral Parent Portal app or phone the school on 0265 431 896.

## PUBLICITY & GENERAL CONSENT PERMISSION FORMS

Publicity & General Consent forms are filled out at time of enrolment. When these forms are completed, parents/carers answer if they give or do not give consent to publicity such as student's photographs being included in school newsletters, on the school Facebook page, local newspapers, Department of Education Internet pages, television, radio, taken on school photo day and to be published out in the community. There is no need for this form to be completed each year. Completed forms are kept in the student's file. If a form has not been completed a new one will be sent home in the coming weeks. Please complete this and send back to school at your earliest convenience. If you have completed a publicity consent form but now/ later wish to make changes, please notify the school in writing so we can adjust our records accordingly. Thank you very much for your cooperation.

## ASSEMBLIES

Assemblies will be held throughout the term to recognise student achievements. Assembly dates are published on the term calendar included in the fortnightly newsletter. Support classes hold an assembly each fortnight and a whole school assembly will be held twice a term. Other special assemblies may also be held throughout the year in which information will be provided.

All assemblies will be held in the school hall.

Parents will be advised if their child is receiving an award. Parents and friends are welcome to attend.

## PUBLISHING STUDENT PHOTOGRAPHS

Schools, parents and friends like to acknowledge the wonderful achievements of students.

It is great to see lots of parents and friends attend our events, assemblies etc. Please keep in mind when you are posting photos or videos to social media, that not all of our students have permission to publish their image online.

Photos containing only your child can be posted on social media, however if they contain other students please do not publish them.

## STUDENT DETAILS AND EMERGENCY CONTACTS

It is important that you notify the school office of changes that occur to student's contact details e.g. new phone numbers, change of address etc. Emergency contact details also need to be kept up-to-date with current working phone numbers. **We also would like an email address for each family** as we move emailing notes home to parents.

It is important to have up-to-date details as this information is sometimes needed by teachers, to approve transport applications, in the event of an emergency and to provide specific information e.g. excursion updates.

Please contact the school office to make any updates. Thank you for your cooperation.

## SCHOOL NEWSLETTERS

Our school newsletter is published each fortnight and can be found on our school website -

<https://muswellbrs-p.schools.nsw.gov.au/newsletter.html> It is also saved on the Sentral Parent Portal app.

Our school newsletter can be emailed to families. Please contact the school office on 0265 431 896 if you would like to be added to the newsletter distribution list. Unfortunately our newsletter is no longer printed.

# IMPORTANT INFORMATION

## WARRAE WANNI

Mrs Watson and Suellen would like to welcome all the students and families to Warrae Wanni for an exciting year ahead.

Students will be commencing on Monday 19 February from 9.30am to 2.30pm. Families will be notified. Please ensure your child brings a back pack with lunch box including fruit for morning tea and water. Please also include a change of clothes.

## PARKING

Parking at the school is very restricted at the moment due to building works happening at the TAFE. Please allow extra time to find a park in surrounding streets and safely walk your child in to school. Osborn Ave gates are open each day until 10am and reopen in the afternoon at 3pm. Osborn Ave can get very busy & congested. If you are using the designated 'Two minute drop zone' please do so and safely move on. Please DO NOT park in surrounding businesses carparks (Mobil Service Station, Osborn Bus Company, Beaurepaires) as it obstructs access for their customers and suppliers and can be a safety concern. Thanking you in advance for your cooperation.

## ROAD SAFETY

For the safety of students and adults, please make sure road rules are followed at all times. Speed limits must be adhered to around surrounding streets. Children under the age of 10 must hold a parents hand when crossing roads. At no time should pedestrians walk through the staff carpark or driveway gates. Please use walkways and gates. Thank you for your cooperation.

## BREAKFAST CLUB

Breakfast Club is open again for 2024.

Breakfast is served from the canteen between 8.45am and 9.15am every school morning.

Children can get a piece of toast, juice, milo and cereal.

Please come along if you have not had time to have brekky at home, or just want to have breakfast at South with your friends. Come along and share a story with friends whilst enjoying a healthy start to the day.

## SMART WATCHES

This year, a lot of our students have returned to school wearing a smart watch. Some of these have the function for students to take photos from them, to receive messages and calls and to send messages or calls. This is effectively the same as having a mobile phone at school.

Please ensure your child's watch is set to 'Class Mode' so that they are unable to perform the above functions, as it becomes an issue of privacy and distraction.

## MOBILE PHONES

Mobile phones are not permitted at school. If you need to get in contact with your child while they are at school, please call the office to leave a message. If your child carries a phone on them due to after school arrangements, they are expected to take it to the front office at the start of the day and pick it up when the school day finishes.

## UNIFORM

Students are required to wear full school uniform. This includes socks. Boys are required to wear grey or plain white socks (**NO** Santa Cruz socks). This is available to view on the school website and to purchase from the uniform Shop. If you are having trouble meeting these requirements please speak to your child's classroom teacher. Please also be aware that minimal jewellery is allowed, such as studs or sleepers and a watch. Costume jewellery, rings, bracelets (unless it is a medical bracelet) or necklaces are not to be worn as it is a safety hazard. Girls can wear scrunchies and bows in their hair, however, we ask that they are white or maroon only.

# NAPLAN

## National Assessment Program - Literacy and Numeracy Information for parents and carers

---

- All students in Years 3, 5, 7 and 9 in Australia do NAPLAN tests in March each year.
- NAPLAN tests students' skills in reading, writing and maths.
- The test questions are presented in Standard Australian English dialect.
- Students read some of the questions and listen to others with headphones.
- The tests will get easier or harder, depending on how students are going in the test.
- Students do four different tests. The names of the four tests are:

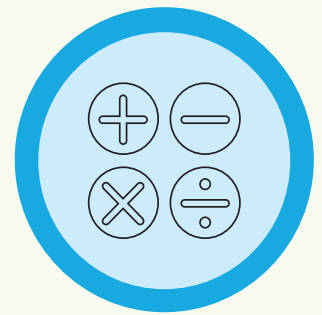

**Writing**

**Reading**

**Conventions of language**  
(spelling, grammar and punctuation)

**Numeracy**

- Students in Year 3 will do the Writing test using pencil and paper. Year 3 students will answer the other test questions on the computer.
- Students in Years 5, 7 and 9 will answer all their test questions on computers.
- Teachers will help students get ready for NAPLAN tests.
- Schools will get their students' results. The school will then give parents/carers a report showing their own child's results.
- Parents/carers can talk to the teacher about these results.
- NAPLAN shows how students are going all over Australia. People who work in the Australian Government, state and territory education authorities and schools use NAPLAN results. The results let them see which schools are doing well and which schools might need help.

**Talk to your teacher if you have any questions about your child doing the tests.**  
**For more information on NAPLAN, visit [nap.edu.au](http://nap.edu.au).**

## SCHOOL BYTES

We have transitioned smoothly to our new School Bytes finance system.

You can access School Bytes either via the Parent Portal website or via the School Bytes app (NEW).

A promotional graphic for the School Bytes Parent App. The background is dark blue. At the top left is the School Bytes logo, a stylized cube with green and white faces. To its right, the text 'School Bytes' is in white, and 'Parent App' is in a larger white font. Below that, 'Available now!' is written in a light blue font. In the center is a smartphone displaying the app's interface, which includes a navigation bar at the bottom with icons for Home, Calendar, Payments, and Messages. The main screen shows a 'Payments' section with a 'Pay Now' button and a 'Statements' section with a 'View Statement' button. Surrounding the phone are several circular icons: a calendar, a credit card, a group of people, a document with a checkmark, and a bell. At the bottom right are the App Store and Google Play logos.

**Key Features**

- Get real time push notifications from your school
- Stay signed in and save your card for secure payments for fees and excursions
- Give consent, sign forms and respond to attendance alerts
- View the school calendar and news

School Bytes parent portal enables you to view all your children in one portal and process payments for multiple siblings in one transaction.

Once your portal is activated you can use it to give consent for events and process online payments.

### To make an online payment -

1. Log into the parent portal – <https://portal.schoolbytes.education/auth/login> or via School Bytes App.

2. Select the statement of account icon.

3. Select the charges to pay.

By default, all the students linked to your account will be displayed, select a student's name to view the charges linked with that student.

If the charge is related to an activity consent must be given before making payment.

4. Confirm or edit the balance to be paid for each charge (if required).

5. Optionally select 'add other item' to add a sundry item (e.g. Year 6 graduation souvenir) that is not linked to the statement of account. When adding a new sundry item, select the relevant student.

6. Select pay now (optionally select pay with saved credit card details if previously saved).

7. Review payment details.

9. Select pay. You will be redirected to a secure Service NSW payment page to enter your credit/debit card details to finalise payment.

10. Payment successful. Click anywhere outside the receipt prompt to return to the parent portal.

A receipt will be automatically emailed to you.

Cash payments can still be made at school. Please note receipts for these cash payments will be emailed to the email address held on file at school. Please contact the school if you need to update your email address.

If you are a parent/carer using an Outlook email address (i.e. @outlook.com, @hotmail.com, @live.com.au) and you're not receiving emails from your child's school sent through School Bytes or if the emails are going to the junk folder you can follow the steps below to add School Bytes to your Outlook safe senders list.

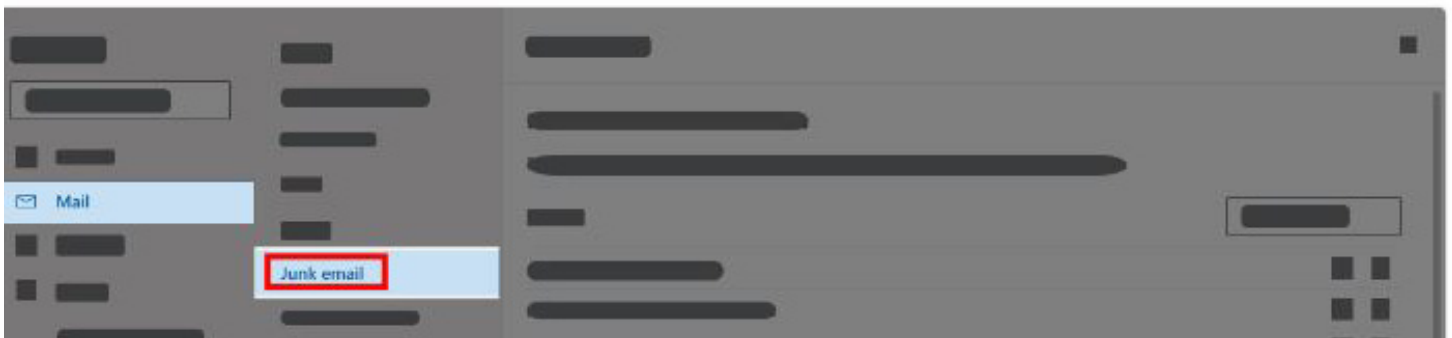

1. From your Outlook home page, select the 'Settings' cog in the top right corner of the menu bar.

2. Select the 'View all Outlook settings' link at the bottom of the panel.

3. Select the 'Junk email' heading.

4. Select the blue '+ Add' button from the 'Safe senders and domains' heading. A text input box will show.

5. Type in the email address — noreply@mail.schoolbytes.education

6. Once the email address has been typed in, press 'Enter' on your keyboard.

7. Select the blue 'Save' button.

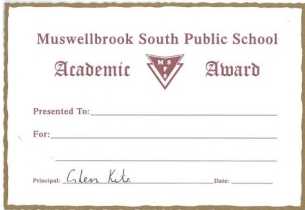

Any future emails sent by your child's school through School Bytes will now go directly to your 'Inbox' folder.

# Muswellbrook South Public School Award System

“Pebbles” are handed out in the classroom and playground to students who are being **SAFE, RESPECTFUL & RESPONSIBLE** by following all six whole school PBL Expectations.

“Academic Merit Awards” are presented to students to recognise achievements in the classroom.

“PBL Champs” are selected throughout the year, and do not count in the Pebble tally.

Students may bring Pebbles home to collect, or teachers may keep them in the classrooms and monitor quantities. Once 25 Pebbles are collected, students need to hand in the 25 Pebbles to the classroom teacher. These Pebbles will then be entered on to the computer in order to receive the next level of award.

### Bus Flashing Lights Campaign

Term 1 2024 from **Monday 29 January 2024 – Friday 23 February 2024**

Slow down to 40km/h when bus lights flash, unless a lower speed limit applies.

#### Key Messages

##### Motorists

- Lights flash on buses to warn motorists that buses are picking up and dropping off children
- You must slow down to 40km/h when overtaking or passing a bus displaying flashing lights, unless a lower speed limit applies.
- You can help keep children safe by:
  - Sticking to the speed limit and following the road rules in school zones
  - Slowing down to 40km/h when bus lights are flashing, unless a lower speed limit applies
  - Looking out for children crossing the road near bus stops, in school zones or along bus routes
  - Giving way to buses when they merge back into traffic.

##### Families

- Families have an important part to play in keeping children safe around roads.
- Never drop off or meet your child on the opposite side of the road to the bus stop or call them across the road. Always drop them off or meet them on the same side of the road as the bus stop.
- Remind your children to always **wait until the bus has gone before choosing a safe place to cross the road**
- Talk to your children about Stop! Look! Listen! Think! every time they cross the road:
- Stop one step back from the kerb
- Look continuously both ways
- Listen for the sounds of approaching traffic
- Think whether it is safe to cross and keep checking until safely across.
